MISCELLANEOUS BASEBALL TERMINOLOGY

WHIP: Walks and hits per innings pitched = add a pitchers walk total with his hit total and divide by the amount of innings pitched.

QUALITY STARTS: A starting pitcher logs at least 6.0 innings and allows three-or-fewer earned runs in an outing.

TOTAL BASES: Number of bases a hitter gains via hits only...single = 1, double = 2, triple = 3, home run = 4.

AT-BAT vs. PLATE APPEARANCE: Plate appearance refers to any time a batter completes a turn batting. (NOTE: A plate appearance cannot be logged if a preceding runner was out on the base paths for a third out or the game ends with a runner scoring from third on a wild pitch or balk). At-bat refers to any turn batting that does not result in a walk, hit by pitch, sac-fly or sac-hit (bunt).

EARNED RUNS RULE

The determination of earned-runs is as follows:

An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU *Know?*

...the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lew Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, and was later painted orange to commemorate the event. The seat is now located in the Mall of America — the former site of "Met" Stadium — bolted to a wall in the amusement park, marking the height and position where the ball would have landed in the upper deck.

FRANCHISE RECORDS

1901-2018

The history of the Minnesota Twins franchise dates back to the year 1901 when, as the Washington Senators, they were born as one of the eight original franchises in the American League. The Senators played baseball in our nation's capital for 60 years, winning one World Championship and three American League pennants, while adding Hall of Fame players like Walter Johnson, Sam Rice and Goose Goslin to the rich history of America's game.

In 1961, owner Calvin Griffith moved the Senators from Washington, D.C. to Minnesota where a new chapter has been written, one more impressive than the first. In the 58 years since, the Minnesota Twins have won two World Championships, three American League pennants and made 12 playoff appearances. It is here that players like Killebrew, Kaat, Carew, Blyleven, Hrbek, Puckett and Mauer have been able to weave their own names into history, not only for the franchise, but for the game.

The records and All-Time Top Ten Lists below recognize this shared history by including the statistics of the Washington Senators of 1901-60, as their history is our history, and any franchise history without them would be incomplete.

DID YOU *Know?*

...that in 1976, Twins pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances. He became the second player in major league history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodger's Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories tied the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in major league history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club; and
(2) He is not the winning pitcher; and
(3) He qualifies under one of the following conditions:
- **(a)** He enters the game with a lead of no more than three runs and pitches for at least one inning; or
- **(b)** He enters the game with the potential tying run either on base, at bat or on deck; or
- **(c)** He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

DID YOU *Know?*

...that on 22 occasions, Twins catchers and pitchers have combined to nab three would-be base stealers in a game, but only once, on May 29, 1982, have they ever nailed four runners in one game. Ken Griffey, Graig Nettles, Bobby Murcer and Willie Randolph were caught by Twins catcher Sal Butera that day; Nettles and Murcer as part of a Twins triple play.

2018 MINOR LEAGUE RECAP

ROCHESTER (64-76, Triple-A, International League) — The Red Wings finished tied for fourth in the International League North Division with a record of 64-76. Thirty seven different players recorded an at-bat with the Red Wings, while 30 different players threw a pitch for Rochester. Rochester's strength was on the mound, leading the league in ERA (3.39) as 14 pitchers who made an appearance with the Red Wings also made an appearance at the big league level. Right-handed pitcher Zack Littell led the team in innings (106.0) and strikeouts (98), while lefty Stephen Gonsalves was the team leader among starters in ERA (2.96) and wins (9). Both performed well enough in Triple-A to earn major league appearances. The Red Wings had trouble generating offense as they finished last in the league in batting average (.227), 18 points lower than the next closest team (Lehigh Valley), and scored only 485 runs, 48 fewer than the next closest team (Charlotte). First baseman Kennys Vargas led the team in home runs (21) and RBI (73). Vargas finished third in the International League in home runs and fifth in RBI and was named a Postseason All-Star. Right-handed pitcher Nick Anderson was named a Mid-Season All-Star after going 5-2 with a 3.38 ERA over 26 appearances in the first half of the season.

CHATTANOOGA (65-72, Double-A, Southern League) — The Lookouts finished last in the Southern League North Division, missing the playoffs after winning the Southern League in 2018. Chattanooga utilized power to generate offense, ranking fourth in the Southern League in slugging percentage (.387) and home runs (107), while finishing third in RBI (560). On the mound, the Lookouts were among the best in getting their opponents to swing and miss, striking out 1,272 batters on the year, second-most in the league. The Lookouts ranked fifth in ERA (3.85) and allowed the third-fewest walks in the league (419). At the plate, shortstop Nick Gordon, first baseman Zander Wiel and outfielder Brent Rooker terrorized opposing Southern League pitchers. Gordon hit .333 in 42 games with 20 RBI and 22 runs scored and was named a Mid-Season All-Star before being promoted to Triple-A Rochester. Wiel finished the year hitting .311, which was second among all qualified hitters in the league, while Rooker led the league in RBI (79) and was second in home runs (22). Right-handed pitcher Omar Bencomo paced the Lookouts in innings (120.0) and ERA (3.45), which was fifth-best in the league, and was named a Mid-Season All-Star. Left-handed pitcher Lewis Thorpe was named to the World Team for the 2018 SiriusXM Futures Game.

The Miracle cruised their way through the Florida State League playoffs, sweeping Palm Beach in the first round, 2-0, and claiming the title over Daytona in four games. The Miracle were helped in the second half of the season by the promotions of outfielder Alex Kirilloff and right-handed pitcher Brusdar Graterol. In 65 games with Ft. Myers, Kirilloff proved to be one of the best hitters in the league by hitting .362 (94-for-260) with 24 doubles, seven home runs and 45 RBI. Kirilloff was named the Florida State League Player of the Month for July, hitting .396 (40-for-101) with 16 XBH and 20 RBI. Kirilloff was also named to Team USA for the 2018 SiriusXM Futures Game, where he went 2-for-2 with a run scored at Nationals Park. The Miracle's strength throughout the year, though, was on the mound, where right-handed pitcher Charlie Barnes, and later Graterol, were dominant. Barnes finished third in the league in ERA (2.81) and eighth in innings pitched (118.1), while Graterol went 5-2 with a 3.12 ERA (60.2 IP, 21 ER) and 56 strikeouts in 11 starts down the stretch.

TARGET FIELD

TARGET FIELD

The Minnesota Twins moved into their new home, Target Field, prior to the beginning of the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring development in the western corner of downtown.

Target Field proved to be one of the premier sporting and entertainment venues in the Upper Midwest, and one of the most unique, spectacular parks in all of Major League Baseball. Here is a list of features that helped to make it unlike any other baseball experience in America.

MATERIALS

Native Minnesota limestone forms the mass of the ballpark's exterior façade. Glass and metal details punctuate the limestone surface, creating a sophisticated composition. In addition, whenever possible, the ballpark and surrounding areas incorporated Minnesota-native flowers, trees and shrubs.

Approximate Capacity	38,544
Seating in Lower Level	18,640
Seating in Upper Level	14,703
Seating in Club Level	5,201
Concourse Width (main)	40 feet
Concourse Width (upper)	26-44 feet
Restrooms	401 (w) 266 (m)

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. The ballpark features more aisles with fewer seats per row.

CONCOURSE

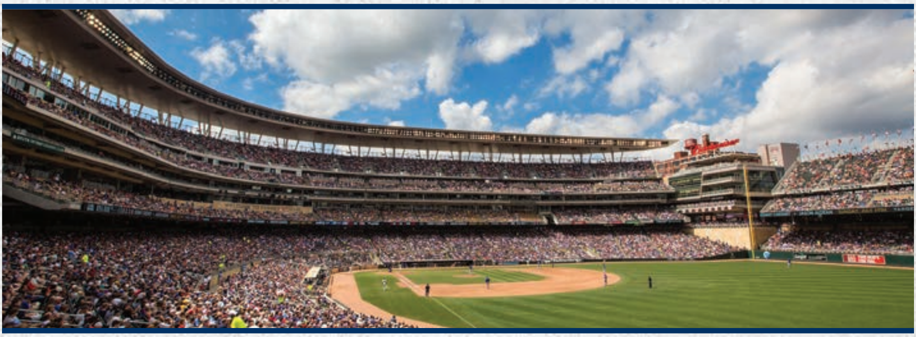

The ballpark features a 360-degree open main concourse giving fans an uninterrupted view of the playing field.

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans—even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level including the Terrace level. Target Field's roof canopy—one of the largest in baseball—provides added protection, while the revamped Gate 34 Experience will provide shelter for fans entering the ballpark's main gate.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

Target Field celebrates the heritage and history of the game across the Upper Midwest. The ballpark includes tributes to the great Twins teams and players from the past, other Minnesota baseball icons and baseball players, and teams and ballparks of all levels.

THE "GREENEST" BALLPARK IN AMERICA

In 2010, the U.S. Green Building Council awarded Target Field **LEED (Leadership in Energy & Environmental Design)** Silver Certification for New Construction, making it the second major league ballpark in the United States to achieve that status. Less than two years after earning LEED Silver certification for New Construction, the Minnesota Twins became the first professional sports franchise to also attain LEED Silver Certification for the Operation and Maintenance of their facility. The LEED Gold certification was earned at Target Field by recertifying via the U.S. Green Building Council's new LEED Performance Path certification option. By utilizing LEED Performance Path, Target Field became the first sports venue in the nation to recertify through this program using Arc. Target Field earned LEED points by taking advantage of credit from the previous certification efforts, as well as tracking and improving operations such as alternative transportation use, energy/water efficiency, waste diversion and recycling, air quality, and human experience.

TWINS SUSTAINABILITY STATEMENT

The Minnesota Twins organization believes our future success-both on and off the field-is built on a business model that embraces operational efficiency, environmental stewardship and social responsibility. We honor the power of sport by leading through example, and we will continue to use sport to inspire, build the best fan experience and cause no unnecessary harm, working with our fans, community, suppliers, partners and employees to have a positive influence in the world.

CAPTURING AND REUSING RAINWATER

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based Pentair, the Minnesota Twins have captured, purified and reused more than 19 million total gallons of rainwater, drastically reducing the use of municipal water at Target Field. The majority of the recycled rainwater was used to wash down the seating bowl attached to the main concourse.

RECYCLING AND CONVERTING WASTE TO ENERGY

Through aggressive recycling and waste-to-energy programs, the Twins have kept more than 10,870 tons of waste out of local landfills from 2011 to 2018.

- 3,520 tons of trash have been sent to the Hennepin Energy Recovery Center.
- 4.151 tons of waste have been recycled from Target Field.
- 3,199 tons of organic materials have been composted and diverted from landfills.

In 2019, the Twins will seek help from fans in increasing the amount of recycled organic materials, further reducing the amount of waste produced at Target Field.

DONATING UNUSED FOOD TO LOCAL CHARITIES

The Minnesota Twins and concession partner Delaware North Companies Sportservice donate more than 10 tons of food to local charities each season. Through a partnership with Rock and Wrap It Up! Inc., representatives from Joseph's Storehouse in Brooklyn Park box up all prepared but untouched meals at Target Field, donating the unused food from Target Field to local charities. Throughout the partnership, the Twins have donated:

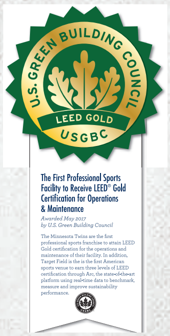

- 307,511 hot dogs and brats
- 50,560 hamburgers
- 24,047 chicken breasts

To date, these efforts have kept more than 53 TONS of waste out of local landfills.

TARGET FIELD Statues

Designed by Bill Mack, the Target Field statues depict eight of the greatest influences in Minnesota Twins history. Each person, while standing over seven feet tall, is featured in an iconic pose, from Harmon Killebrew's powerful swing to Kirby Puckett's signature World Series post-home run celebration. Located near the entrances to the ballpark, these Twins statues are on display to greet fans whenever they visit Target Field.

ABOUT THE ARTIST

Bill Mack, who makes his home in Minneapolis, has worked for over 20 years mostly as a commissioned artist. He has created works for the Figure Skating Hall of Fame, the Cowboy Hall of Fame and both the Hockey Hall of Fame in Canada and the U.S. Hockey Hall of Fame.

TARGET FIELD

Target Field Station

Opened in Spring of 2014, Target Field Station connects people and places, as this multi-modal transportation hub at 5th St. N. and 5th Ave. N. in downtown Minneapolis offers public green spaces, connections to 500 trains daily via the METRO Blue and Green lines, the Northstar Commuter Rail, as well as access to the North Loop community. Target Field Station's more than 104,000 square feet of space includes a public plaza for year-round special events and activities, green space, a 1,000-seat amphitheater, office space, retail shops and a 286-car underground parking garage. The Minnesota Twins, Target and Hennepin County offer programming and special events in the public space.

IT PROVIDES a connection for commuters, baseball fans, downtown visitors and riders connecting to other Metro Transit services — including Blue and Green Line Light Rail service to St. Paul, the airport and Mall of America, the Northstar Commuter Rail Line, as well as bus service from the nearby 5th Street Transit Center. Future transit lines and plans to develop a transportation hub will create additional regional connections for Target Field commuters.

THE PURPOSE of Target Field Station is to provide high-quality transit service, and efficient access to Minneapolis and surrounding communities. This hub encourages greater use of public transportation within the Twin Cities due to a centrally-located facility, and improved multi-modal and pedestrian connections.

LOCATED on the north side of the park, connecting Target Field Station to the North Loop Neighborhood. The name refers to the trolley line that once ran through the area, which is part of Minneapolis' Warehouse District. It connects the North Loop Neighborhood with its roots.

THE BLUE LINE runs from Target Field to the Mall of America. The Central Corridor — Green Line — runs down University Avenue to St. Paul's Union Depot.

TARGET FIELD
Renovations

Since opening in 2010, Target Field has undergone several renovations and additions, all done to enhance the ballpark experience for fans, players, staff, and neighbors. Below are some of the major renovations inside Target Field over the last nine-plus seasons:

RIGHT FIELD VIDEO BOARD AND TWINS TOWER - Both built between the 2010 and 2011 seasons. Located next to each other behind the right field grand stand. The video board is 28' high x '50 wide. The Twins Tower is 100' high x 5' wide x 11' deep.

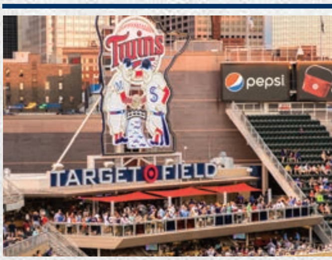

SUPER CUTS SUPER SEATS - Built between the 2012 and 2013 seasons. The Twins replaced regular seating and unveiled the "Super Cuts Super Seats" seating section. Located in the right field corner, is designed to be an exciting destination for both group and single-game ticket purchasers; similar to the Budweiser Roof Deck in left field.

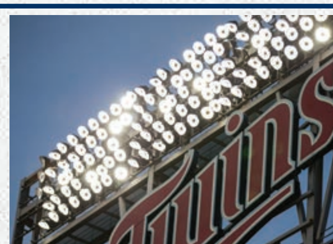

BARRIO - Built between the 2014 and 2015 seasons. The Twins and Barrio announced a new partnership that included branding of a new bar/restaurant, replacing a team store and adding more drink rails. Located adjacent to the left-field foul pole (inside Gate 6).

CATCH AND MINNIE & PAUL'S - Built between the 2015 and 2016 seasons. The Twins and Populous transformed the center field seating area into a multi-level fan gathering space. The upper level, called Minnie & Paul's, is a Twins-themed pub open to all fans. The lower tier, called CATCH, is an all-inclusive club with access to approximately 120 season ticket holders.

LED LIGHTING - Installed between the 2016 and 2017 seasons, the field lighting was upgraded to LED technology reducing fixture count from 746 to approximately 512. Reduces energy use by approximately 55% for the field lighting and provides an improved look for not only fans at the ballpark, but also for television viewers. LED fixtures were also installed to illuminate the underside of the canopy, allowing for flexibility to change colors as desired.

Renovations, Continued...

BAT & BARREL - Renovated in 2018, the space formerly known as the "Metropolitan Club" was improved to accommodate any fan, making it open to all fans with a game-day ticket. The most expansive renovation to date includes operable glass windows opening the space to the Target Field experience. Additionally, the space features state-of-the-art video elements, Minnesota-based artist murals, and major award history on display.

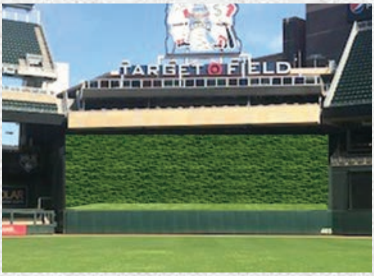

EXPANDED CONCOURSE AND DRAFTS AT 34 - In 2018, the Twins expanded the main concourse at the intersection of Gates 29 and 34. This renovation expanded the concourse by as much as 40 feet creating enhanced ingress and egress for fans. It also cut down on congestion and provided fans with premium new drink rail standing-room locations. Also included in the concourse renovation was a tap wall known as DRAFTS at 34, which features up to 22 unique beers from across Twins Territory.

GATE 34 EXPERIENCE - Gate 34 and Target Plaza reconstruction took place over the offseason, 2018-19. The new design enhances ingress and egress, while creating a new, must-visit destination for fans inside the revised gate line. The area provides two additional entry points to maximize fan access and decrease crowd congestion. The revised Gate 34 design results in the addition of more than 9,300 square feet of new space inside the ballpark. Included in that space will be approximately 5,600 square feet of turf, making it an inviting destination for fan activities before, during and after Target Field events. The "Market" at Gate 34 will be a multifunctional, versatile space that will provide access to various merchants from across Twins Territory, while also accommodating activities such as autograph signings, food and beverage options and added entertainment.

BATTER'S EYE - "LIVING WALL" - Reconstruction took place over the winter of 2018-19, replacing the previous black backdrop. The Target Field living wall system, which is the fist of its kind for a Major League Baseball batter's eye and, at 2,280 square feet is among the largest in the continental United States, incorporates approximately 5,700 sea green juniper plants, individually installed and secured in a tiered, multiple-tray system. Together, the junipers create a consistent, stationary background without variations in color or texture.

The Twins were represented by six players, marking the most in club history. The two starters for the Twins included Harmon Killebrew, who played first base and batted third and Earl Battey, who played catcher and batted eighth. Killebrew went 1-for-3 with a two-run homer in the fifth inning off Cincinnati's Jim Maloney. Twins in a reserve role included Tony Oliva, who went 1-for-2 with the game's only double; Zoilo Versalles; Jimmie Hall; and Jim "Mudcat" Grant, who allowed two runs in 2.0 innings of relief. The game was ultimately decided by a Ron Santo infield single, scoring Willie Mays in the seventh inning. Juan Marichal started for the NL, pitching 3.0 scoreless innings and earned the game's MVP Award. Sandy Koufax was the winning pitcher, Sam McDowell was the loser, and Bob Gibson was credited with the save as the game lasted two hours and 45 minutes and was played in front of 46,706.

On July 16, 1985, the Hubert H. Humphrey Metrodome staged the 56th All-Star Game, a 6-1 NL victory that included Hall of Famers Bert Blyleven, George Brett, Wade Boggs, Carlton Fisk, Tony Gwynn, Rickey Henderson, Paul Molitor, Jim Rice, Cal Ripken Jr., Nolan Ryan, Ryne Sandberg, Ozzie Smith and Dave Winfield. The Twins' lone representative was Tom Brunansky, who grounded out to short in his only at-bat in a reserve role and played one inning in right field. The NL jumped out in front early with a Steve Garvey RBI single in the second inning and held the lead throughout. LaMarr Hoyt started for the NL, allowing one unearned run in 3.0 innings pitched, earning the win and the game's MVP Award. Detroit's Jack Morris was the AL starter and suffered the loss. The game lasted two hours and 54 minutes and was played in front of 54,960.

The Dome also played host to the first ever All-Star Home Run Derby, including the Twins' own Tom Brunansky, who hit four home runs, good for second most among the 10 participants. Other participants were Jack Clark, Carlton Fisk, Steve Garvey, Eddie Murray, Dale Murphy, Home Run Derby Champion Dave Parker, Jim Rice, Cal Ripken Jr. and Ryne Sandberg.

TWINS RETIRED NUMBERS

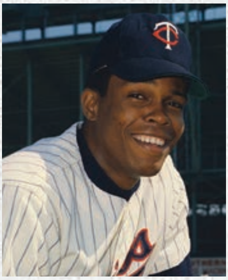

HARMON KILLEBREW 3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 12th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit over 40 home runs on eight occasions, and 30 or more 10 times, while driving in 100 or more runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 RBI and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, becoming the first Twin to receive the honor. He had his number 3 formally retired on May 4, 1975, and was selected to the Twins 25th Anniversary Team in 1986 and 40th Season All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

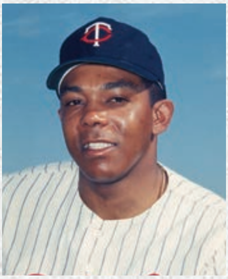

ROD CAREW 29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse.

He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his 12 years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 27th among the all-time hit leaders and makes him one of only 32 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

TONY OLIVA 6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career. His prowess as a hitter was demonstrated by the fact that he led the league in hits five times and his 220 career home runs rank fourth all-time among Twins. If not for the knee problems that cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a Twins hitting instructor at the major league and minor league level and scouts for the club. He had his number 6 retired July 14, 1991, and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

KENT HRBEK 14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform, homering in his major league debut in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981. He finished his career with 293 home runs and 1,086 RBI, both good for second most in club history.

Hrbek, who was runner-up to Cal Ripken Jr. for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins fans for his upper-deck power, agility and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game 6 grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game 2 of the 1991 World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and was named one of the "50 Greatest Twins" in 2010.

KIRBY PUCKETT 34

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one, when he became the ninth player in history to collect four hits in his first game on May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game 6 of the World Series against Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit, and became the ninth player to end a World Series game with a home run on the final pitch with a drive off Charlie Leibrandt in the 11th inning to force a seventh game.

The 10-time All-Star, six-time Gold Glove Award winner and five-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins' all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

BERT BLYLEVEN 28

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 major league seasons with the Twins (1970-76 and 1985-88). His knee-buckling curve ball, competitive drive and his knack for being the clubhouse "prankster" are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138 and a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2002, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Blyleven was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011, becoming the first Hall of Famer born in the Netherlands.

TWINS RETIRED NUMBERS

TOM KELLY 10

"TK" took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. He led the club to their second World Series victory in 1991, which marked the first time in major league history that a team went from last place one season to World Champions the next.

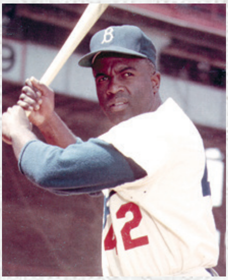

The 1991 American League Manager of the Year had a managerial record of 1140-1244, which places him first on Minnesota's all-time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 was formally retired September 8, 2012, becoming the first Twins manager to receive the honor. Kelly was selected manager on the Twins 40th Season Anniversary All-Time Team in 2000 and was named one of the "50 Greatest Twins" in 2010.

JOE MAUER 7

The hometown St. Paul kid and first overall pick in the 2001 First-Year Player Draft came out of Cretin Derham Hall High School to play for the team he watched growing up on the other side of the Mississippi River. Joe Mauer played 15 seasons in a Twins uniform from 2004-18, joining Tony Oliva as the only players in club history to reach that particular feat. During that time, the 2009 American League Most Valuable Player was named to six AL All-Star teams, earned five Louisville Slugger Silver Slugger Awards, three Rawlings Gold Glove Awards and became the only American League catcher to ever win a batting title, having done so three different times in 2006, 2008 and 2009.

The former catcher turned first baseman ranks first on the Twins all-time list in doubles (428) and times on base (3,087); second in games (1,858), hits (2,123) and walks (939); fifth in RBI (923) and 11th in home runs (143). He was selected to the All-Metrodome team in 2009 and was named one of the "50 Greatest Twins" in 2010. Mauer was a finalist for the Roberto Clemente Award for Outstanding Community service four times in his career, along with countless charitably endeavors from Joe and his family. Mauer's number will be formally retired on June 15, 2019.

JACKIE ROBINSON 42

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball would retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

CARL R. POHLAD
OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

Pohlad enjoyed great success upon taking ownership of the Twins by providing leadership that resulted in two World Series Championships in 1987 and 1991 and back-to-back-to-back American League Central Division Championships from 2002 to 2004.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. In addition, the Pohlad family has given millions of dollars and countless hours of their time back to the community and region through programs in the Twins Community Fund and the Carl and Eloise Pohlad Family Foundation.

When the Twins replaced the Class AAA Minneapolis Millers and the St. Paul Saints as the featured team in Minnesota in 1961, Brophy, who was the Millers general manager, went to work for Sherry Robertson in the minor league department.

After Robertson's death in 1969, Brophy was named the Twins Vice President in October of 1970 and oversaw the minor league system and scouting departments. Brophy held the position until 1985 when health problems triggered an early retirement from the Twins organization.

Brophy's duties included full administration of the minor league departments, including the working relationships with the Twins minor league affiliates. Brophy, who also served as a special assignment scout for the Houston Astros before he retired in 1996, passed away in 1998 at the age of 72 from complications stemming from aplastic anemia.

HUBERT H. HUMPHREY METRODOME

- Opened April 3, 1982, the Hubert H. Humphrey Metrodome was home to the Twins for 28 years. It was the third domed facility in baseball and remained the only air-supported structure of its kind until its demolition in January of 2014.
- The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), Major League Baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992 and 2001).
- Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately $68 million.
- Field dimensions were 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence from left field to center field was 7' high (plexiglass was above the left field wall from 1985-94, which made the wall 13' high) and the "baggie" in right field was 23' high, including 16' of plastic tarp installed in 1983.
- **April 14, 1983:** Roof deflated due to tear caused by heavy snow.
- **May 4, 1984:** Oakland's Dave Kingman hit a ball into one of roof's drainage holes in a 4th inning at-bat. The ball never came down and Kingman was awarded a ground rule double.
- **April 26, 1986:** Roof suffered slight tear due to high winds, causing a nine minute delay in the bottom of the seventh inning vs. California.
- **August 29, 1992:** A power outage in the third inning caused a 23 minute delay vs. New York.
- **August 5, 2001:** A power outage in the area of Minneapolis surrounding the Metrodome caused the air conditioning to shut down, heating the inside of the dome during the game to a temperature of 91 degrees as the Twins fell to the Royals 10-5.
- **October 2, 2004:** The Twins and Indians were forced to suspend their game after the 11th inning due to a curfew rule in effect for an upcoming University of Minnesota football game.
- **October 2, 2005:** Upon the conclusion of his 50th year of broadcasting baseball, the Twins re-named the baseball pressbox "The Herb Carneal Press Box" in honor of their long-time radio broadcaster. Carneal died on April 1, 2007.
- **August 2, 2007:** The Twins and Royals postponed their 12:10 pm game a day after the Interstate 35W bridge collapse in Minneapolis.
- **October 11, 2009:** The Twins lose to the Yankees in the ALDS, marking the club's final game in the Metrodome.
- **December 19, 2013:** The Vikings defeat the Lions 14-13 in the final sporting event played in the Metrodome.
- **January 18, 2014:** As a portion of the demolition for the Minnesota Vikings' new stadium, the Metrodome roof is deflated. Demolition was completed in April of 2014.

25TH ANNIVERSARY TEAM

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion from July 31 to August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced. The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins against other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a frameable team poster. Below is the 25th Anniversary Team.

40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases to include the fans, Upper Midwest media and former Twins players and coaches. Each group's vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time Team was given to the first 10,000 fans in attendance, courtesy of the Star Tribune.

A total of 93 Twins players and managers were featured on the All-Time Team ballot, which included categories for manager, catcher, first base, second base, third base, shortstop, outfield, right-handed starting pitcher, left-handed starting pitcher, relief pitcher, designated hitter, pinch hitter and utility player.

The Minnesota Twins 40th Season All-Time Team is comprised of 22 members, including 10 members of the club's 25th Anniversary Team: catcher Earl Battey, first baseman Harmon Killebrew, second baseman Rod Carew, shortstop Zoilo Versalles, leftfielder Bob Allison, centerfielder Cesar Tovar, rightfielder Tony Oliva, right-handed pitcher Camilo Pascual, left-handed pitcher Jim Kaat and relief pitcher Al Worthington. TREASURE ISLAND BASEBALL NETWORK

2019 marks the 13th season that the Minnesota Twins control their radio broadcast rights. More than 90 stations in the five-state area carry Twins games and comprise the Treasure Island Baseball Network. In the Minneapolis-St. Paul market, the Twins can be heard on 830 WCCO. The move back to 'CCO and Entercom in 2018 marked the return to their original broadcast partner, the Twins home for their first 46 years. The Twins were broadcast on Go 96.3 for five seasons from 2013-17 and ESPN 1500 for six seasons from 2007-12.

The Twins employ an in-house production team that produces the game broadcasts including pre-game and post-game shows that air on network affiliates. In addition, the network team produces the "Hot Stove Show" that airs Wednesday nights throughout the off-season hosted by pre- and post-game host Kris Atteberry. During the season, fans across Twins Territory can listen to "Inside Twins" which airs prior to Sunday pre-game shows featuring Twins Chief Baseball Officer Derek Falvey, Twins Manager Rocco Baldelli and other front office staff. This show runs all season and gives fans access into the inner workings of Twins baseball as well as a glimpse through the eyes of the Manager.

In 2007 the Twins, in partnership with the Minnesota News Network, assumed control and development of the Twins Radio Network with Treasure Island Resort & Casino, becoming the first-ever naming rights partner for the network in 2010. Historically, the Treasure Island Baseball Network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states.

The Twins also broadcast 50 games in Spanish. Alfonso Fernandez begins his 13th season as play-by-play voice with Tony Oliva as the analyst. Games in Spanish can be heard via a stream on Twinsbeisbol.com and on the SAP channel during FOX Sports North broadcasts.

John Gordon Award — Twins Radio Affiliate of the Year

Named after legendary Twins broadcaster, John Gordon, this honor is awarded annually to the Twins radio affiliate that demonstrates the best of Twins Territory in its commitment to the Minnesota Twins and its community.

SPANISH LANGUAGE RADIO BROADCAST

The Twins will broadcast 50 Spanish language games through a stream on the homepage of Twinsbeisbol.com. In addition to the stream, these broadcasts will be transmitted via SAP (secondary audio program) on the Twins television partner Fox Sports North. The Twins, who were the first professional sports team in the Twin Cities market to broadcast games in Spanish, return Twins Hall of Famer and color analyst Tony Oliva, and play-by-play announcer Alfonso Fernandez, to the broadcast booth for their 14th season together. All 50 games will include a 15 minute pre and post-game show.

Fernandez and his wife, Rosalia, daughter, Angela, and son, Jared, make their home in White Bear Lake, MN.

TONY OLIVA

SPANISH RADIO, ANALYST

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank fourth all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He also works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991 and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010. In 2013, he became the eighth ever recipient of the Herb Carneal "Lifetime Achievement" Award.

MINNESOTA TWINS MEDIA POLICIES

CREDENTIALS

Credentials for accredited news media are available through **https://credentials.mlb.com**. All requests must be made at least 24 hours prior to game time. Daily credentials must be picked up at Will Call Windows 1 or 2 near the Gate 29 press gate entrance off 7th Street near the box office on Target Plaza. The press gate will be staffed five hours prior to night games and three hours prior to day games. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in Target Field. A photo ID and signature are required to pick up credentials. The pressbox is located on the Club Level (2), while both clubhouses, interview room, press dining and field access are located on the Service Level (-2).

TWINSPRESSBOX.COM

All baseball information, including: media guide, game notes, daily clips, stat packs, minor league report, press releases, headshots and logos will be available at **twinspressbox.com**. This site also provides media with audio and video clips, along with information for the 29 other MLB clubs.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Twins Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS

The Twins clubhouse will be open to media with clubhouse credentials until one hour prior to each game and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. Television photographers are allowed in the clubhouse prior to batting practice and after games, but not between batting practice and game time. Still photographers are not allowed in the clubhouse at any time. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

FIELD ACCESS

Members of the media must access the field through the Umpire/Star Dressing Room Tunnel. The tunnel is located between the Twins Communications office and the visiting clubhouse on the Service Level (-2).

HERB CARNEAL PRESSBOX

Space is available for accredited members of the media on assignment only. Guests are not allowed unless prior approval has been granted by the Twins Communications department. Wireless internet is available. To reach the Twins Communications office and visiting clubhouse, take the stairs or elevator down to the Service Level (-2) and turn left. To reach the media dining/interview room (Twins Room) and home clubhouse, turn right.

TWINS ROOM

The Twins Room, located on the Service Level (-2), is available for pre-game meals to media with appropriate credentials, for an $11 charge, approximately two hours prior to, and up until, game time.

PHOTOGRAPHERS

Due to a lack of on-field photo spots, the first and third base photo pits are limited to local papers, wire services, Twins photographers and whomever is assigned for that particular game. Certain exceptions may be made depending on space availability. An alternative for photographers are the designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo pits at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball press box.

PHOTO EDITING ROOM

Photographers can edit images before, during or after the game in the photo editing room located by the field entrance on the Service Level (-2).

AUTOGRAPHS

Credentialed media do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

PARKING

There is no on-site parking available at Target Field, but municipal ramps and parking lots are available near the stadium. Because of proximity to the press box, ramp "A" is recommended for media to park in on a game-by-game basis.

CENTURYLINK SPORTS COMPLEX

The Twins will spend their 29th spring training season in Lee County at the recently renovated CenturyLink Sports Complex in 2019. Spurred by their first year in the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful Spring Training camp in history as they posted a record-high 21 wins. In the 28 years, the Twins have drawn at total of 2,961,513 fans for 445 dates, an average of 6,587 per game (total does not include 17 replacement games in 1995 - 49,240 fans).

Located south of the city of Fort Myers near Interstate 75, the CenturyLink Sports Complex is the spring training home to the Twins and their six minor league affiliates. The centerpiece of the facility is an 8,730-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The complex also features five full practice fields and two half-fields.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020, and on November 6, 2012 the Lee County Board of County Commissioners approved a $42.5 million renovation and a new 30-year lease. Combined with the Twins contribution, the total for the renovations increased to $48.5 million. The renovations prior to the 2015 season increased the seating capacity to 8,730 and include a new party deck, expanded gift shop and an outfield boardwalk around the playing field to create a 360-degree walk-around the stadium, similar to Target Field. The plan also renovated previously existing concession stands, restrooms, suites and press box areas. The project was designed by Populous out of Kansas City, Missouri, with designed assistance by Parker Mudgett Smith, based out of Ft. Myers, Florida, and was constructed by Manhattan Construction.

A signature feature of the renovated facilities is the Twins Player Development Academy which includes a 58-room residence hall for players and staff, dining facilities, recreational spaces, meeting rooms, educational classrooms and Champions Hall, a 220 seat tiered theater used by players and staff for meetings, conferences and presentations throughout the year. The Academy contains state of the art technology, Wi-Fi throughout and high-tech video systems for player instruction for both major league and minor league players.

In addition to the Player Development Academy, the entire minor league building was renovated including expanded clubhouse with new lockers for players and staff, new 1,800 square foot training room, high tech video facilities, expanded office space and a new game field for the minor league teams.

The major league facility, team and player upgrades include new athletic training and strength and conditioning rooms, new lockers for players and staff, dedicated dining room space, state of the art video facilities and complete renovation of all office and meeting rooms. The overall project earned the Twins the Ballpark Digest's Best Major Renovations of 2015.

CenturyLink®
Sports Complex

Continuing the renovations at Hammond Stadium prior to the 2016 season, Lee County and the Twins added a shade structure along the LF line of the Boardwalk and a permanent serving area on the 4th floor Sky Deck.

Installed prior to 2017, the old scoreboard was replaced with a new full-feature LED video board. The screen measures 18' x 35' and was installed by Daktronics of Brookings, SD. Additionally, the GCL Twins home playing field has been named "Bill Smith Field" in honor of the former Twins General Manager.

The CLSC is home to two Twins minor league affiliates, housing both the Ft. Myers Miracle of the Single-A Florida State League and the Rookie Level Gulf Coast League Twins.

The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the longtime Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

Major league home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. Prior to the start of the 2005 spring training, a 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility.

The major league club's administrative offices are located in the stadium, with the minor league administrative offices in the building adjacent to its fields.

The facility also features a four-field softball complex and other athletic facilities for use by Lee County organizations and visiting amateur baseball and softball teams, plus an 11-acre water-management lake.

The Twins trained in Orlando, FL, from 1936 through 1990 (with the exception of the war years of 1943, 44 and 45, when they conditioned in College Park, MD) and their minor league clubs moved to Terry Park in Ft. Myers in 1990, after headquartering in Melbourne, FL, from 1964-89. The entire organization was united for the first time in Lee County in 1991.

The Sports Complex, an $18.2 million undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, FL, was the lead architect for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, FL, was the contractor.

Credentials for accredited news media for Spring Training games are available through an application at https://credentials.mlb.com. These will be issued only to daily newspaper reporters who will be covering the club, home and road and to area radio and TV sports reporters and camera crews who will be covering on a regular basis. All other media entities will be credentialed on a per-game basis (including parking) through an application at https://credentials.mlb.com.
No fax or email requests will be accepted unless approved by the Twins Communications department. Transfer of working press credential will result in the termination of coverage privileges for the individuals involved. A photo ID and signature are required for credential pick-up at the VIP Window.

FIELD ACCESS

Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:00 a.m.

DINING ROOM ACCESS

Available only to those media credentialed to cover that day's game, for a $6 charge. This room will open at 11:30 a.m. for day games (4:30 p.m. for night games) and will close at gametime. Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS

The training room, exercise room and equipment rooms are off-limits to all media. No still cameras are allowed in the clubhouse.
